Dear Mr Wood -

I don't know whether Dorothy has written to you, but she asked me to find and send you the enclosed coin (Quarry # Jerusalem) to be analyzed - She said she had one analyzed at Charleston & the result was so surprising that she wanted to try another - So here it is -

Dear Mrs. Cox:

Your daughter had already written
me about the coin she requested you to send me.
This came this morning and I will have an analysis
made of it.

Very truly yours,
